Intre Orient si Occident. Tarile romane la inceputul epocii moderne

Neagu Djuvara

Asa cum e prezentata de Neagu Djuvara, care refuza sa se conformeze viziunii sumbre a istoriografiei clasice, fresca regimului fanariot nu e lipsita de o anume ambiguitate: mai conforme cu adevarul istoric, domniile si regimurile fanariote capata uneori nuante pozitive; caci fanariotii, chiar daca n-au facut din prosperitatea tarilor romane preocuparea lor principala, incearca sa introduca in universul romanesc saturat Intre Orient si Occident. Tarile romane la inceputul epocii moderne de Orient ceva din mirajul occidental. Fara indoiala, exactiunile si ororile turco-fanariote sunt o trista realitate, dar perspectiva introdusa de Neagu Djuvara ne obliga sa tinem seama de fapte: universul romanesc este de aceea mai credibil cu ambiguitatile, raspunderile si optiunile sale.

(recenzia completa e aici, acesta e doar rezumatul) Pe alocuri d?deam pagin? dup? pagin?, de parc? ar fi fost un bestseller, alteori am abandonat-o c?teva zile sau mai mult, dup? care am mai citit c?teva r?nduri. in step with ansamblu, ?ns?, e mai mult fascinant? dec?t plictisitoare. Cartea este despre Muntenia ?i Moldova ?n secolele 18-19, dar nu le discut? cronologic, ci pe categorii sociale: ?ncepe cu via?a ?i situa?ia domnitorului, trece l. a. via?a ?i situa?ia boierilor, apoi a bisericii, a celor de l. a. ora? ?n general, a ??ranilor ?i ?n cele din urm? a ?iganilor. Mi se pare o ?mp?r?eal? extrem de bun?, pentru c? atmosfera scindat? iese foarte bine l. a. suprafa?? ?i cu fiecare capitol ?i se ?ntrege?te imaginea despre lume. Stilul e destul de familiar, prietenesc, al unui om care poveste?te despre istorie ?i nu al unui istoric care vrea s? fie c?t se poate de atent ?i exact. Uneori Djuvara ne poveste?te ce au tr?it/sim?it anumte persoane, sau face anumite comentarii scriitorice?ti. Pe de o parte, s-ar putea s? ne induc? oarecum ?n eroare. Pe de alta, e pl?cut de citit ?i informa?ia ?i stilul ?mpreun? sunt uneori excelente.

Intre Orient Si Occident Tarile Romane La Inceputul Epocii Moderne

Offering to Baby alan, creating consistently is discounts on tax chats, which still do some black industry in their credit.
