Passion Killers by Linda Regan

Linda Regan

A convicted assassin is out of legal to the horror of six ladies serious about his crime twenty years ago. Then, they have been seedy nightclub strippers. Now, a few of them have much to lose. are murdered, a pink g-string filled in every one mouth. DI Paul Banham unearths no-one has a forged Passion Killers iron alibi.

'Passion Killers' via Linda Regan Published via Crème de los angeles Crime. ISBN: 978-0-955158988 On a Saturday July 1988, while the strippers on the Scarlet Pussy membership are chatting as they disrobe from their stocking and suspender belt uniforms, able to hand over the membership and luxuriate in their Sunday off, the membership proprietor Ahmed attempts to strength himself on Shaheen. because the different ladies visit her reduction they realize through the struggle in Ahmed's workplace video clips of themselves of a sexual nature, and spot red. within the ensuing melee Ahmed lands up dead. In a panic they name in Brian the membership bouncer. Brian says that he'll unload the physique – yet he doesn't get far, simply nineteen years at her Majesty's pleasure. When Brian is published from criminal issues are varied – just one of the ladies continues to be stripping. a few of them now have much to lose if their prior lifestyles was once exposed. One is incomes huge funds in a number 1 cleaning soap opera, Olivia who have been pregnant on the time of the killing has married prosperous Kenneth Stone. due to their guilt that they had all yet one saved Passion Killers in touch. Passion Killers Then of the ladies are came upon lifeless every one with a pink G-string crammed in her mouth. The cautious lives they've got outfitted up in past times nineteen Passion Killers years start to fall apart, and so they begin to mistrust every one other. And who has the video tapes which could break their lives? Assigned to the case is DI Paul Banham who has a number of difficulties of his own. One being an appeal to a feminine officer, with whom he's suffering to get to first base. This is a wonderful mystery, holding the reader enthralled until eventually the offender is revealed. hugely recommended.-----Lizzie Hayes
