Un libro Quando Dio ballava il tango di storie: storie di fatica, di speranza, di attesa spesso vana, di amore e soprattutto di nostalgia. Un grande affresco argentino – sempre però con l'occhio rivolto all'Italia – che attraversa Quando Dio ballava il tango gli avvenimenti di un secolo intero: dagli scioperi della Patagonia negli anni Venti al tracollo economico del 2001. Un romanzo di emigrazione, vista dalla parte delle donne: quelle che lasciano l'Italia coi loro uomini, quelle che rimangono ad averli, quelle che, di là del mare, addolciscono la vita degli uomini soli, pur sapendo di non potersi aspettare nulla. Storie di uomini che fra le donne del Nuovo Mondo scelgono solo quelle che danno piacere in keeping with poche lire e che non vogliono Quando Dio ballava il tango legami duraturi, perché sognano di tornare in Italia, un giorno o l'altro. Storie di doppie vite, di sradicamento e di passioni mancate. Storie di donne che si raccontano come Corazón, al ritmo di una musica di Piazzolla.
