The Bang-Bang Club: Snapshots from a Hidden War

Greg Marinovich

so much people, upon listening to gunfire, might run away and hide. clash photojournalists have the other reaction: they really search for trouble, and once they locate it, get as shut as attainable and face up to get the simplest shot. This thirst for the shot and the seeming nonchalance to the hazards entailed earned Greg Marinovich, Joao Silva, Ken Oosterbroek, and Kevin Carter the moniker of the Bang-Bang Club. Oosterbroek used to be killed in township violence simply days prior to South Africa's historical panracial elections. Carter, whose photo of a Sudanese baby it seems that being stalked via a vulture received him a Pulitzer Prize, killed himself almost immediately afterwards. one other in their posse, Gary Bernard, who had held Oosterbroek as he died, additionally devoted suicide. The Bang-Bang membership is a memoir of a time of rivalry, comradeship, machismo, and pleasure skilled via a band of younger South African photographers as they documented their country's transition to democracy. We disregard too simply the political and ethnic violence that wracked South Africa as apartheid died a slow, spasmodic death. Supporters of the ANC and Inkatha fought bloody The Bang-Bang Club: Snapshots from a Hidden War battles each day. The white protection forces have been complicit in fomenting and allowing many of the worst violence. the entire while, the Bang-Bang membership took pictures. And whereas they did, they have been confronted with the ethical predicament of ways some distance they need to cross in pursuit of an image, and even if there has been some extent at which they need to cease their taking pictures and take a look at to intervene. this can be a riveting and appalling book. it truly is easily written--these men are photographers, now not writers--but tremendous engaging. They have been adrenaline junkies who partied tough and prized the shot specifically else. None of them was once a hero; those males stumble upon as overweeningly ambitious, egotistical, reckless, and selfish, even though additionally courageous or even principled. As South Africans, they have been all invested of their country's future, even though, as whites, they have been strangers of their personal land as they coated the Hostel wars within the black townships. the combination of the romantic attraction of the warfare correspondent with sincere exams in their own failings is a part of what makes this account so compelling and so singular between books of its ilk. – J. Riches

f5.6 nie wystarczySzóstego lutego 2011 roku Wojciech Jagielski opublikowa? na ?amach „Gazety Wyborczej” do?? obszerny artyku?, w którym opisywa? traum? i stres, b?d?ce udzia?em fotoreporterów zajmuj?cych si? konfliktami zbrojnymi. Zadedykowany Krzysztofowi Millerowi tekst zosta? zatytu?owany zupe?nie tak, jak wydana dekad? wcze?niej ksi??ka Grega Marinovicha i Jo?o Silvy, „Bractwo Pif-Paf”; trudno z pewno?ci? wyrokowa?, czy by?a ona g?ówn? inspiracj?, ale cytaty z niej pochodz?ce znajduwa?y si? na ka?dej stronie. Gdy wi?c kilka miesi?cy temu zauwa?y?am „Bang-Bang Club” w zapowiedziach wydawnictwa Sine Qua Non, jeszcze z tba – to be introduced – w rubryce T?umaczenie, mia?am cich? nadziej?, ?e ksi??k? zajmie si? w?a?nie Jagielski, specjalista od wojen, Afryki, literatury oraz w?tpliwo?ci natury etycznej, pomijaj?c fakt, ?e jako jedyny napisa? w polskich mediach cho? s?owo na temat jej angloj?ycznego wydania. I rzeczywi?cie, ku mojej nieukrywanej rado?ci to w?a?nie jego nazwisko pojawi?o si? jaki? czas potem, wraz z roboczym tytu?em przek?adu: „Klub Pif-Paf.” – Musi by? kara za to, co czasem robimy! – upiera? si? Jo?o.– Chcesz powiedzie?, ?e to,

co robimy, to grzech? – zapyta? Kevin. João nie potrafi? na to odpowiedzie?, ale czu?, ?e spotka nas jaka? forma kary za to, ?e przygl?damy si? przez wizjery, jak ludzie si? zabijaj?, i nie robimy nic prócz zdj??. "Nazywani Bang-Bang membership – najpierw dla ?artu i nieoficjalnie, potem ju? na powa?nie – czterej po?udniowoafryka?scy fotografowie wojenni rzeczywi?cie s?ono zap?acili za wszystkie momenty, z których wychodzili ca?o, unosz?c na?wietlone negatywy. Pierwszy by? Ken Oosterbroek: zgin?? od kuli tego samego dnia, w którym Marinovich zosta? postrzelony. Potem przyszed? czas na Kevina Cartera i jego b?d?c? wynikiem miks? mandraksu, marihuany, presji, w?tpliwo?ci oraz niepowodze? osobistych samobójcz? ?mier? nied?ugo po otrzymaniu Pulitzera za s?ynne zdj?cie z Sudanu. Ostatni odszed? Gary Bernard – jeden z satelitów przyj?tych do Bang-Bang, który nie wytrzyma? moralnych konsekwencji swojego zawodu i pog??biaj?cego si? uzale?nienia narkotykowego, wskutek czego odebra? sobie ?ycie. João Silva ?ycie wprawdzie zachowa?, jednak jego nogi od 2010 pozostaj? w Afganistanie. Pomi?dzy rokiem 1990 a 1994, w burzliwym czasie dziel?cym uwolnienie Mandeli i upadek apartheidu od z?o?enia urz?du przez prezydenta RPA, de Klerka, czwórka fotoreporterów kr??y?a niez mordowanie po johannesburskich townshipach oraz bantustanach, dokumentuj?c zamieszki i wbrew wszelkiej logice wychodz?c ca?o z ka?dej opresji. Strony tych konfliktów by?y ró?ne: ANC ?cieraj?ca si? z zulusk? Inkath? w Soweto, Thokozie, Boipatongu, neonazi?ci z AWB oraz powsta?cy, walcz?cy przeciwko sobie na terenach Bophuthatswany, lista jest d?uga. Dekoracje zmienia?y The Bang-Bang Club: Snapshots from a Hidden War si?, gnida goni?a gnid?, tymczasem na tle wykluwaj?cej si? w b?ocie demokracji Bractwo Bang-Bang odnosi?o sukcesy i cieszy?o si? coraz wi?ksz? estym?. Jednak w miar? jak stos widzianych i sfotografowanych trupów rós?, pogarsza?a si? tak?e kondycja psychiczna jego cz?onków. Kiedy nadszed? moment, na który czekali od dawna – chwila pierwszego g?osowania, zrównania w prawach ludno?ci czarnej i bia?ej, zaprzysię?enia Mandeli – ranny The Bang-Bang Club: Snapshots from a Hidden War Marinovich le?a? w szpitalu, ani razu nie zwalnij?c migawki, za? Silva by? nadal w szoku po ?mierci Oosterbroeka, podobnie zreszt? jak Carter. Ich pr??na grupa rozpad?a si?, pozostawiaj?c rozrzucone bez?adnie, wyczerpane elementy. W?ród portalowych strzelaczy kr??y od lat wywo?uj?cy skonsternowany u?miech dowcip: "Dostrzegasz ton?cego cz?owieka. Masz dwa wyj?cia: pomóc mu albo zrobi? zdj?cie. Jak? czu?o?? negatywu wybierzesz?" Wyst?puje w ró?nych wersjach, zmienia si? wraz z technologi? fotografowania, liczy wiele lat i nie wiadomo kto za nim stoi; jego trafno?? jest uderzaj?ca, a dwuznaczno?? – znana ka?demu, kto chocia? raz stan?? przed podobnym wyborem. "Dobre zdj?cia. Tragedia i przemoc z pewno?ci? tworz? mocne obrazy. Ale przy ka?dym takim uj?ciu ?ci?gany jest haracz: troch? tych emocji, wra?liwo?ci i empatii, które sprawiaj?, ?e jeste?my lud?mi, ginie przy ka?dym zwolnieniu migawki."
