The Eucharistic Prayer of Addai and Mari

A. Gelston

The Eucharistic Prayer is the main significant and detailed kind of Christian public prayer except the Lord's Prayer itself. It steadily advanced into fastened types in the course of the early Christian centuries, and the Eucharistic Prayer of Addai and Mari is nearly definitely the oldest such prayer nonetheless in use. Gelston's research offers a serious version of the medieval Syriac textual content of this historic Eucharistic prayer. Observed by means of a serious gear and a translation, the booklet addresses such literary, critical, and old questions because the parallels with the Maronite anaphora Sharar, and offers a chance to realize attainable later accretions and modifications. A reconstruction of the Prayer because it could have been at the start of the 5th century is out there in an appendix.
